

SAFETY FORMULA ONE™ & SAFETY FORMULA TWO™

Flash Suppressant & VOC Inhibitor

SF-ONE™

- Renders Volatile Spills Non-Flammable.
- For the Clean-up of Hydrocarbon Spills.
- All Ingredients in This Product are Biodegradable, Non-Pathogenic, Non-Flammable, Non-Toxic, and Non-Carcinogenic.
- Reduces LEL Levels to Zero Quickly.
- Breaks Down and Dissolves Hydrocarbons.
- Cleans All Surfaces Areas and Prevents Dangerous Slip-n-Fall Hazards.
- Reduces Worker Exposure To Volatile Chemicals and Hazardous Cleaning Compounds.
- Environmentally Friendly, Non-toxic, Non-hazardous and Non-pathogenic.
- Ships Ready To Use.
- Neutral pH, Non-corrosive, Does Not Contaminate, Will Not Harm Equipment.

SF-TWO™

- Contains Microbes for Petroleum Bioremediation
- Renders Volatile Spills Non-Flammable.
- For the Clean-up of Hydrocarbon Spills.
- All Ingredients in This Product are Biodegradable, Non-Pathogenic, Non-Flammable, Non-Toxic, and Non-Carcinogenic.
